

PROCEDURES FOR EMERGENCY SCHOOL CLOSINGS AND DELAYS

Emergency Closings - On days when school is closed for the entire day because of inclement weather or other emergencies, there will be no Programs. Emergency closings will be broadcast on appropriate radio stations. There will be no Program on days when school is canceled due to water main breaks, heating failure, electrical problems, or other emergency conditions.

Emergency School Delays - The Program will open on the same delay schedule as the school. For example, if there is a 90 minute delay and the before school normally begins at 7:00am then the delayed opening will be at 8:30am.

Emergency Early Dismissal Days - If school opens in the morning, then closes early for an emergency, the Program is closed. No staff will be at the program to receive your child. Please make all necessary arrangements at the beginning of the school year to prepare for these days if they occur. WFC/ASEP will not call to notify you of the emergency early dismissal, you will be notified by your school district.
